1482. Furniture, etc., Taken Over in Requisitioned Properties

(N.S. 12034/42.—26.3.1942.)

Owing to the increasing number of instances in which it has been necessary to negotiate with the owners of requisitioned properties for the return of chattels which have been taken over, and subsequently found to be (a) not allowed by existing regulations, or (b) of a luxury nature not in keeping with the scale of wartime furnishing for Naval shore establishments, it is necessary, in the interest of economy, to draw the attention of requisitioning officers to the following points :-

- (i) Furniture or other chattels are not to be taken over unless of a type and value approximating to Service descriptions.
- (ii) Only the actual quantity of each description of furniture, etc., required to conform to the scale of allowances promulgated in A.F.O. 1483/42 should be taken over, and the balance returned to the owners before, or at the time, the premises are occupied.
- (iii) The following items are not to be taken over from the owners as a charge to public funds in any circumstances :-

Pictures (all descriptions). Ornaments (all descriptions). Statuary (all descriptions).

Double bedsteads.

Pianos.

Wireless sets.

Gramophones and other musical instruments.

Billiard tables.

Games equipment.

Carpets (including landing and stairs).

Curtains, other than blackout of reasonable value.

Eiderdowns.

Sheets Towels except to the scale of allowance for W.R.N.S.

- (iv) The prior approval of the Engineer-in-Chief, Admiralty, Bath, is to be obtained before automatic refrigerators, motor lawn mowers and other items of machinery are taken over.
- 2. In cases of doubt the Director of Stores, Bath, should be communicated with by telephone (Tel.—Bath, Tennyson 9218).

(A.F.Os. 3590/40 and 1483/42.)

1483.—Wartime Furnishing R.N. and W.R.N.S. Establishments

(N.S. 12034/42.—26.3.1942.)

Whilst it is not possible to lay down a fixed establishment of stores for furnishing wartime R.N. and W.R.N.S. Shore Establishments, owing to the varying types of accommodation provided it is desirable to fix a scale of allowances for the general guidance of officers concerned.

- 2. Allowances have therefore been drawn up and are shown in Appendix A for R.N. quarters and Appendix B for W.R.N.S. quarters.
- 3. Furnishing schemes promulgated at the Admiralty and demands formulated by establishments are to be based generally on these allowances. Any items in addition to those included in the scale of allowances which are considered essential for special reasons should be specially reported to the Director of Stores, Admiralty, Bath, prior to supply.
