***4395.—Manpower—Re-Allocation—Block Releases in Class B—Police**

(C.W. 27035/45.—9 Aug. 1945.)

Owing to the present acute shortage of police and in accordance with the statement made on behalf of the Government by the Minister of Labour in the House of Commons on 7th December, 1944, to the effect that regular policemen, who can be spared from their military duties, will be returned to Police Service at an early date after the cessation of hostilities in Europe, the ratings shown below have been nominated for block release in Class B in accordance with B.R. 1281 (1). Release Instructions, for transfer to the Police Force from which they were released.

2. Since the Home Office has nominated these persons for release, B.R. 1281 (1), paragraph 67, does not apply.

3. The ratings named, if they elect to be released in Class B, are to report within seven days of dispersal to the Chief Constable of the Police Force from which they were released (see B.R. 1281 (1), paragraph 157, Note, issued in A.F.O. P.606/45), and not to the local Employment Exchange.

Industry Group—ZK—Local Government Service.
