5906.—Manpower—Re-allocation—Persons Released to Industry—Special Control and Payments of War Gratuity, etc.

(C.W. 64816/45.—18 Oct. 1945.)

With reference to A.F.O. 5774/45, paragraph 7, the statement of the Minister of Labour with regard to persons released to industry remaining under special control until the date when they would have been released in Class A had they continued to serve, refers only to persons released in Class B.

2. This rule does *not* refer to persons indefinitely released to industry under the authority of the various A.F.Os. issued before the Re-allocation Plan was brought into force.

3. Similarly, the revised rules for the payment of War Gratuity and Post War Credit of Wages recently promulgated by Admiralty General Message, refer to persons released in Class B or with Class B benefits and *not* to persons indefinitely released before the Re-allocation Plan was brought into force.

4. The rules for persons indefinitely released before the end of the war with Germany will be promulgated as soon as possible.

(A.F.O. 5774/45.)

5907.—Manpower—Re-allocation—Return to United Kingdom of T.124X Ratings

(C.W.69715/45.—18 Oct. 1945.)

Recruitment of T.124X personnel has been closed down and it is hoped that ratings now in the Service will volunteer to remain during the next few months, by which time it is hoped that most of the vessels concerned will have returned to the United Kingdom.

2. In order to keep pace generally with the Naval rate of release, arrangements should be made for the return to the United Kingdom as early as possible of any ratings in Age and Service Groups 1 to 31 inclusive who are unwilling to volunteer for postponement of release.

3. Only reliefs actually necessary should be demanded and, as most of the senior ratings are in the earlier Age and Service Groups, promotions within the ship's T.124X complement are desirable.

5908.—Manpower—Re-allocation—Release of W.R.N.S. Ratings in Class A

(C.W. 71403/45.—18 Oct. 1945.)

W.R.N.S. ratings in Rating Groups and Age and Service Groups indicated are to be released in Class A in accordance with B.R. 1281 (1), Release Instructions.

2. Dispersals are to commence on 22nd October, 1945, and the target date for completing these dispersals is 31st December, 1945.

10. Rating Group 330. Age and Service Groups 31 to 60.

11. All other W.R.N.S. Rating Groups. Age and Service Groups 50 to 60.

12. W.R.N.S. ratings in Age and Service Groups 51 to 60, whose release has been authorized in paragraphs 10 and 11 above, may be accepted as volunteers for postponement of release, if they are prepared to transfer to categories for which there are still requirements. Ratings concerned may volunteer to continue to serve either :—

(a) until 30th September, 1946, provided their services are so long required, or

(b) for so long as their services are required, but not beyond the expiration of the present emergency which will continue until terminated by Order in Council.

Volunteers are to sign a form of undertaking in accordance with paragraph 8 of A.F.O. 5626/45.

13. As a special case, W.R.N.S. ratings serving overseas whose release has been authorized in paragraphs 3 to 9 above may, if required, be accepted in their existing Category as volunteers until they return to the United Kingdom in the normal course through the working of the longest abroad roster. When accepted, volunteers are to sign a suitably worded Form of Undertaking, witnessed by the Commanding Officer, in lieu of the Form of Undertaking in Appendix B of the Release Instructions. The Form of Undertaking is to be disposed of in accordance with the Instructions in Appendix B.

(B.R. 1281(1).)
