

# STAY ONBOARD

PEOPLE FIRST

Setting the foundation for sustained growth

## FACT SHEET

### Training and Education Program HORIZON

An online engagement and development portal for Navy people, outside of the Defence Protected Network (DPN). HORIZON will support members in more effectively managing their development, wellbeing and careers.

### Benefits

- Improved access to content development for Navy People.

### Next Steps

- HORIZON Beta Testing: May 22 / Oct 22
- HORIZON formal launch: April 23

### More Information

- Social Mastery will feature prominently in the ongoing Quarterly Culture Program, which will be supported by content on the Directorate of Navy Culture intranet page.
- HORIZON will be an online (off-DPN) web portal for Navy that will feature engaging Social mastery content and resources – it is intended for HORIZON to be launched in April 2023.

Status: In-Progress

Lead: Deputy Chief of Navy

### TARGETING

All Navy Workgroups

### WHEN

Launching April 2023

### YOU GET

Engaging and informative content to develop your Navy Mastery.

Information in the palm of your hand on a personal device of your choice.

The opportunity to submit your own (moderated) content for the development of others.
